A D D D

*mp*

*Verse:* When the world is feeling

G D A D

cold and the sky more grey than blue and the snow it seems to

G A D D

fall heavy hearted - ly on you Time to count your  
Remember when you

G D A D

blessings though seeming - ly but few Time to take a  
see us the hungry lame the meek who would feed us, heal us

G A D G

look at what's with - in and without you For *mf* health is more than  
keep us is the same one that you seek For joy is more than

G D A D

walking and wealth much more than gold but kindness ov - er  
dancing good cheer much more than wine but love is all en-

G A D G

whelming as a gentle hand to hold *mf* Chorus: (so) God Bless Us  
folding as be - holding hearts en - twined

D D A D

every one with the riches of the soul and may hopeless - ness ne'er

G A | 1. D D

be the demon darkening our door *accordion/fiddle short break*

G A D D | 2. D
